

Specific Expedited Preferences Where Commissioners Seek Public Testimony

The Commission is interested in testimony on any expedited preference review.

In addition, there are four expedited preferences where Commissioners specifically requested testimony:

1. Amphitheater Leasehold Excise Tax (page 1 of the 2016 Expedited Report)
2. Computers for Publishers Sales and Use Tax (page 8 of the 2016 Expedited Report)
3. Professional Employer Organization Wages B&O Tax (page 34 of the 2016 Expedited Report)
4. Sellers with Limited Washington Connection B&O Tax (page 39 of the 2016 Expedited Report)

Those providing testimony are asked to address the four questions included in the *Questions for Stakeholders to Address for Both In-Depth and Expedited Reviews*, linked on the Commission's website.
